

Stubby Star Screwdriver Bit Set 7pc

Stubby Star* profile screwdriver, with 7 interchangeable tamperproof star bits, T10H to T40H, ideal for use in tight areas. Compact design, only 85mm long for easy storage, with a comfortable soft grip handle. The bits are supplied on a push-fit storage wheel to keep them safe and organised. A useful set to keep to hand to adjust tamperproof fixings.
