

## Cordless Polisher 20V Kit

Part of the Laser Tools cordless tools range, this is an ideal starter kit comprising of the impact wrench 1/2"D and key accessories required. This cordless polisher delivers a comfort grip, with safety switch. This five speed polisher delivers a comfortable grip, trigger lock and adjustable handle for ease of use, and uses standard M14 thread compound and polishing heads, with a clever spindle lock function making it quick and simple to change pads. Also supplied are two 20V 4.0Ah batteries allowing professional users to run one whilst one charges giving uninterrupted use, a 230V 4 amp mains battery charger with BS (UK) plug and heavy duty storage bag. CE & RoHS compliant.

### Additional Information

- Cordless polisher includes M14 spindle, for use with standard 150mm compound & polishing heads (diameters up to a maximum of 180mm) & spindle lock function for easy pad changeover. 5-stage speed selection, with safety switch and detachable 'D' handle for improved control. Tested vibration emission value 4.113m/s<sup>2</sup>. No Load Speed: 800 - 2400rpm (max). Max disc diameter: M14 x 180mm (7"). Supplied with 180mm diameter polishing foam and buffing pads.
- Two 20V 4.0Ah batteries feature 10 lithium cells, diagnostic LED to read health plus built in protection against overheating and overcharging. Additional batteries available separately, please see Laser Part No. 8007.
- 230V 4 amp mains battery charger with BS (UK) plug features diagnostic LED plus build in protection against over heating and overcharging.
- Heavy duty tool bag, 18" long with reinforced, wide opening top for easy access for tools of all sizes. Organises tools for fast access with 10 external & 8 internal pockets, 2 carrying handles & one shoulder strap. Available separately, please see Laser Part No. 7846.
