

Cordless Tools 20V Workshop Kit

A set of cordless power tools and accessories specifically selected for workshop use and ideal for all types of fastener removal. Featuring the two most popular and productive tools for use within the workshop environment - a cordless impact wrench for use with standard or deep 1/2" D impact sockets and a cordless impact screwdriver for use with 1/4" Hex quick chuck impact bits. Also supplied are two 20V 4.0Ah batteries allowing professional users to run one whilst one charges giving uninterrupted use, a 230V 4 amp mains battery charger with BS (UK) plug and heavy duty storage bag. CE & RoHS compliant.

Additional Information

- Impact screwdriver includes variable speed control, with forward/reverse function, 1/4" hex drive quick chuck, belt clip & an innovative LED light control circuit keeps the workspace lit for several seconds after releasing the trigger. No load speed: 2800rpm; max torque: 200Nm. Intelligent setting to automatically adjust to suit required torque.
- Impact wrench includes 1/2" square drive, belt clip & an innovative LED light control circuit keeps the workspace lit for several seconds after releasing the trigger. Variable Speed Control, with forward/reverse function. No Load Speed: 2800rpm; max torque: 300Nm. Switchable, 3 speed torque control, plus an intelligent circuit board which gives an optional setting so the tool can self-maintain its power output in reverse, no resistance, less output which prolongs the life of the tool.
- Two 20V 4.0Ah batteries feature 10 lithium cells, diagnostic LED to read health plus built in protection against over heating and overcharging. Additional batteries available separately, please see Laser Part No. 8007.
- 230V 4 amp mains battery charger with BS (UK) plug features diagnostic LED plus built in protection against over heating and overcharging.
- Heavy duty tool bag, 18" long with reinforced, wide opening top for easy access for tools of all sizes. Organises tools for fast access with <http://external&internalpot/69013> carrying handles & one shoulder strap. Available separately, please see Laser Part No. 7846. CE, UKCA & RoHS compliant.
