LASER®

Rear Trailing Arm Bush Removal - for VW T5

Part of a range of vehicle specific tools, for the removal and fitting of bushes and ball joints, without having to remove suspension legs, subframes, wishbones, trailing arms etc from the vehicle. Designed to be used in-situ, although it can also be used in a workshop press if circumstances require.

Additional Information

- For the removal of the rear trailing arm bush on Volkswagen T5 (Part Nos: 7H0 501 131 and 7H0 501 131 A).
- Due to the special shape of the bush, an air impact wrench is highly recommended for removal.
- Spare parts available: Threaded Bar (Part No. 61282), Bearing (Part No 61283) and Nut (Part No. 61284).
