

Glove Dispenser

Magnetic glove dispenser.

Additional Information

- Folded steel construction with magnets to securely attach to any ferrous surface.
- Additional screw holes allow for attachment to walls and work tops.
- Dispenser dimensions: 253 x 143 x 95mm - easily takes the most common sizes of workglove box, using a simple slide/slide out operation.
- Weight capacity: 8lbs / 3.6kg.
- Ideal for Connect Grippaz Gloves boxes (Part Nos. 37300 - 37302, 37305 - 37307).
