

Laser Tools Racing Drawstring Back Pack

Laser Tools Racing drawstring backpack, featuring the Laser Tools Racing branding and a side zipper inner pocket. The bag is manufactured from durable, extra thick PE nylon fabric and the large inner pocket has a side zip for easy access (even when the drawstrings are closed) making it ideal for phone, wallet or keys. The woven nylon drawstring has a detachable closure clip and metal reinforced eyelets at the base. A really useful bag, perfect for carrying essential kit, whilst rolling up for compact storage when not in use.
