

Heel & Toe Pry Bar Set 4pc

A set of 4 double-ended fine point toe and sharp profile heel pry bars, ideal for inspection where flexible (plastic, rubber etc.) covers may need to be simply lifted to allow visual inspection, such as on a vehicle under tray etc. The toe/spike end, is ideal for positioning and aligning components and fixings prior to fitting. Suitable for MOT and general garage use, and supplied in a EVA foam tray for safe storage.

Additional Information
